

GOLPO DRY BAR

Most bistro cafes and premium delis serve soft drinks and coffees they also don't have a 'night-out', 'date', or 'adult feel about them.' Golpo has created an alcohol-free and safe environment that is sustainable and compliments the food we will be serving.

You are expected to be both curious, intrigued and confused at reading the menu but the team at Golpo expect by the end of the night you would have been pleasantly surprised at how the non-alcoholic category has evolved.
